

## Spare Parts List

Ref. No. 517 7000 / 230 V, 600 W  
Ref. No. 517 7017 / 115 V, 600 W

Pos.	Ref. no.	Description
8	557 2083	Globe joint bolt with flexible disc and set of 10 spring washers / use compression spring only on TP DUPLEX
9	557 2117	Spherical handle 40/10
11	517 7048	Electrical control box 230 V
12	517 7189	Timer set consisting of: timer 120 mins, timer face 0-120, timer switch pointer, 120 mins timer adapter plate and fastening screw
13	517 7196 *	Spare indicator lamp 230/115 V
14	517 3145	Socket outlet w. earthing contact 230 V including fastening screws
15	557 6292	Main cable with cable protector bush, and 230 V earthed plug
17	557 2131	4 guide pins and 1 clip for extension tube
18	517 7055	Electrical control box 115 V
19	557 6970	Main cable with cable protector bush, without plug, for 115 V
20	557 6230	Two 4-pin flange sockets for electrical control box 115 V with 6 fastening screws
21	557 5877	TP DUPLEX frame with threaded bolts, left and right
22	557 5891	Upper and lower guide block
23	557 5918	Insert bracket
24	517 3884	Table support clamp
25	557 5925	Upper sliding tube
26	557 5932	Lower sliding tube
27	557 5949	Rear counter support with base
28	557 5963	Housing - upper heating plate
29	517 7086 *	Heating plate - lower part 230 V complete
30	517 7093 *	Heating plate - lower part 115 V complete
31	517 7165 *	Rubber pad for lower heating plate / truck, with fastening screws M 6 x 10
32	517 7172 *	Rubber pad for heating plate (car), with fastening screws M 6 x 10
33	557 6010	Plug-type flange
34	557 6034 *	Threaded spindle
35	557 6096	Set of 5 spacer tubes dia. 14 x 36,5 x 1,5
36	517 7158 *	Pressure plate for upper heating plate / truck with fastening screws M 6 x 10
37	517 2438 *	Small pressure equalizing pad
38	517 1295	U-shaped bow
39	517 7062 *	Duplex heating plate cpl. 230 V
40	517 7079 *	Duplex heating plate cpl. 115 V
41	557 6930	Set of screws TP DUPLEX consisting of: setscrew DIN 913 M 6 x 10, gudgeon DIN 939 10 x 70 cap nut M 10, cap nut M 6, hexagon nut DIN 934 M 6 hexagon nut DIN 934 M 5, washer DIN 125 - dia. 8,4 washer DIN 125 - dia. 10,5, filister head screw DIN 912 M 5 x 12 counter sunk screw 6 x 40 without slot, counter sunk screw DIN 963 M 6 x 10 filister head screw DIN 84 M 6 x 8, hexagon screw DIN 933 M 8 x 30
42	557 6209	Spherical handle 25/6, filister head screw DIN 912 M 6 x 35, compression spring 8 x 10 x 20
43	557 6065	Compression spring 14 x 30 x 1, knurled nut with flat head M 8, indexing bolt dia. 14, screwed sleeve

**Safety instruction:** Allow only a qualified specialist to carry out any work on electric parts!

The parts marked with an asterisk \*) are wear parts, for which no liability based on any legal regulations whatsoever can be accepted.
