# Material Safety Data Sheet U.S. Department of Labor

May be used to comply with  
 OSHA's Hazard Communication Standard,  
 29 CFR 1910.1200. Standard must be  
 consulted for specific requirements.

Occupational Safety and Health Administration  
 (Non-Mandatory Form)  
 Form Approved  
 OMB No. 1218-0072

|  |   |
|--|---|
| <b>IDENTITY (As Used on Label and List)</b><br><b>Super Tough Hand Scrub</b> | Note: Blank spaces are not permitted. If any item is not applicable, or no information is available, the space must be marked to indicate that. |
|--|---|

## Section I

|   |   |
|---|---|
| <b>Manufacturer's Name</b><br>Southwest Commercial Products, Inc.   | <b>Emergency Telephone Number</b><br>   |
| <b>Address (Number, Street, City, State, and ZIP Code)</b><br>2436 Ludelle St.<br><br>Fort Worth, Texas 76105 | <b>Telephone Number for Information</b><br>(800) 227-6994<br><br><b>Date Prepared</b><br>07/07/2010 |
|   | <b>Signature of Preparer (optional)</b><br>nCites, L.L.C.   |

## Section II - Hazard Ingredients/Identity Information

| Hazardous Components<br>(Specific Chemical Identity; Common Name(s)) | CAS Number | OSHA PEL | ACGIH TLV | Other Limits<br>Recommended | %(optional) |
|--|------------|----------|-----------|-----------------------------|-------------|
| None   |            |          |           |                             |             |
|  |            |          |           |                             |             |
|  |            |          |           |                             |             |
|  |            |          |           |                             |             |

The remaining ingredients are not hazardous under the OSHA Hazard Communication Standard (29 CFR 1910.1200).

| Hazard Data Rating                                   | Health | Fire | Reactivity | D.O.T. Transportation Information       |
|--|--------|------|------------|---|
| 0=Minimal, 1=Slight, 2=Moderate, 3=Serious, 4=Severe | 1      | 0    | 0          | Compound Cleaning Liquid, Non-Hazardous |

## Section III - Physical/Chemical Characteristics

|                         |                     |   |                 |
|-------------------------|---------------------|---|-----------------|
| Boiling Point           | >212°F (100°C)      | Specific Gravity (H <sub>2</sub> O = 1) | Not Determined  |
| Vapor Pressure (mm Hg.) | Not Determined      | Melting Point                           | > 212°F (100°C) |
| Vapor Density (AIR = 1) | Not Determined      | Evaporation Rate (Butyl Acetate = 1)    | > 0.1           |
| Solubility in Water     | > 18%               | pH (1% Solution)                        | 7.18            |
| Moisture                | < 2%                | Volatile Organic Compounds (V.O.C.)     | < 0.1%          |
| Appearance              | Yellow Gritty Paste | Odor                                    | Pleasant        |

## Section IV - Fire and Explosion Hazard Data

|  |                                   |                       |                       |
|--|-----------------------------------|-----------------------|-----------------------|
| Flash Point (Method Used)<br>> 212°F (100°C) (Supplier Data)   | Flammable Limits<br>Not Flammable | LEL<br>Not Applicable | UEL<br>Not Applicable |
| Extinguishing Media<br>Use water fog and/or dry chemical extinguisher on fires in which product is involved. |                                   |                       |                       |
| Special Fire Fighting Procedures<br>None   |                                   |                       |                       |
| Unusual Fire and Explosion Hazards<br>None   |                                   |                       |                       |

Section V - Reactivity Data

|   |                |   |                     |
|---|----------------|---|---------------------|
| Stability   | Unstable       |   | Conditions to Avoid |
|   | Stable         | X | None                |
| Incompatibility ( <i>Materials to Avoid</i> )<br>Strong oxidizing agents (strong acids, ammonia and bleach)           |                |   |                     |
| Hazardous Decomposition or Byproducts<br>Carbon dioxide and/or carbon monoxide may form when heated to decomposition. |                |   |                     |
| Hazardous Polymerization  | May Occur      |   |                     |
|   | Will Not Occur | X | None                |

Section VI - Health Hazard Data

|  |                        |            |                        |                       |                 |
|--|------------------------|------------|------------------------|-----------------------|-----------------|
| Route(s) of Entry:   | Eyes? Yes              | Skin? Yes  | Ingestion? Yes         | Inhalation? No        |                 |
| Health Hazards ( <i>Acute</i> )<br>Product contact with eyes can cause irritation. Prolonged product contact with skin may cause irritation or drying. If ingested, may cause irritation to the mouth, throat and possible nausea, vomiting and/or diarrhea. May be harmful if swallowed.  |                        |            |                        |                       |                 |
| Health Hazards ( <i>Chronic</i> )<br>None  |                        |            |                        |                       |                 |
| Toxic Data: Oral LD-50 (Rat):<br>None Known  | Carcinogenicity:<br>No | NTP?<br>No | IARC Monographs?<br>No | OSHA Regulated?<br>No | SARA 313?<br>No |
| Signs and Symptoms of Exposure<br>Prickling or burning sensation of the eyes or skin.  |                        |            |                        |                       |                 |
| Medical Conditions Generally Aggravated by Exposure<br>Dermatitis of the skin  |                        |            |                        |                       |                 |
| Emergency and First Aid Procedures<br>EYES: Flush with plenty of water while lifting eyelids for 15 minutes. If irritation persists, seek medical aid.<br>SKIN: Wash with water. If irritation occurs and/or persists, seek medical aid.<br>INGESTION: DO NOT INDUCE VOMITING, Rinse mouth out with water, then drink one to two full glasses of water to dilute and seek medical aid.<br>INHALATION: Not Applicable |                        |            |                        |                       |                 |

Section VII - Precautions for Safe Handling and Use

|   |
|---|
| Steps to Be Taken in Case Material is Released or Spilled<br>Sweep up and containerize, then mop and rinse area with water. |
| Waste Disposal Method<br>Incinerate or Landfill as complies with State and local regulations.                               |
| Precautions to Be taken in Handling and Storing<br>Keep Out Of Reach Of Children.   |
| Other Precautions<br>Do not take internally.  |

Section VIII - Control Measures

|  |  |                                 |   |
|--|--|---------------------------------|---|
| Respiratory Protection ( <i>Specify Type</i> )<br>None required  | Protective Gloves<br>None required             | Eye Protection<br>None required | Other Protective Clothing or Equipment<br>None required |
| Ventilation<br>Local Exhaust<br>General  | Mechanical ( <i>General</i> )<br>None required | Special<br>None required        | Other<br>None required                                  |
| Work/Hygienic Practices<br>Rinse hands with water after using this product.  |  |                                 |   |
